

Coronavirus COVID-19

**The Church is alive and active,
but our buildings must close
for a while.**

As more people fall sick with Coronavirus COVID-19, we must distance ourselves from one another and prevent the spread of infection in order to save lives

Therefore, St Laurence's Church and all church buildings in the Church of England are now closed both for public worship services and for private prayer.

Our worship of God and our care for each other continue, but cannot be in this building until further notice

Our website contains details of how to join others online for prayer, worship, study, and community life.

Go to the website Home page to find the link to our *Facebook* page

The churchwarden of this church can be contacted in an emergency by telephoning *07467329247* or emailing *gbm@georgemcintyre.co.uk*
