

# ST LAURENCE'S CHURCH SCALBY

# SHARE THE LOVE

during February

In these difficult times, let's share the love  
in our community by displaying

**hearts**

in our windows and/or gardens.

1. Get your creative juices going and make a great display of **hearts** in your window and/or front garden. Check out the short film on our website and Facebook page for more ideas and inspiration.
2. How many can you find on **your** daily walk?
3. Let Tracy know where you have found them so we can share the fun.
4. Check St Laurence's Church website and Facebook page to find out which streets they are on.

**Help cover our parish and neighbourhood in love for February!!**
