# KALEIDOSCOPE

dynamic, sharp, faith inspiring theatre with a new twist

*In a crowded house a man walks a new walk...young lovers set a teeth-chattering example of faith...while a gangster starts up in the forgiveness business, a fool dreams of escape on a rocket to Mars...and there’s a jaw-dropping moment for prisoners when singing unlocks the doors.*

*Among the manicured self-managed images of the YouTube influencers and evaporating virtual dreams, this show celebrates substance and truth and joy.*

*Can the rich kaleidoscope of the good news of Jesus reveal new patterns which are life-changing in the 21st century? Is there an influencer we can trust to tell us the truth? Delight in us for who we are and help us to build a community which values everyone?*

*A vibrant sparkling show packed full of entertaining stories and comedy that connect with hopes and fears today.*
