Dear All at St. Laurence's Church,

On behalf of the Trustees and Volunteers at Westway Open Arms Crisis Charity, we would like to thank you so much for your very generous donation of items for the food bank, your help is much appreciated!

Westway Open Arms serves a large area with many people who find themselves in crisis or struggling with daily life due to unemployment, mental health related issues and the current covid crisis.

Thanks to your support we can continue to offer help and provide for local people in various ways.

Once again, thank you so much for supporting the charity so that we can reach out to local vulnerable residents.

Yours,

B. Brown
