Dear Friends at Scalby St. Laurence,

Thank you so much for your amazingly generous donation of £1577.00 to support the work of Church Army across the UK and Ireland.

As we enter what we hope will be at least another 140 years of sharing the Christian faith, seeing countless lives changed and transformed forever, your gift will help us to make a real difference. Through the work of our evangelists and the Centres of Mission, it will enable us to recognise needs, roll up our sleeves, and join that person on the street, no matter what their situation.

Thank you again and God bless,

Jenni Keen
